Privacy Policy

ITTC-2008 – Privacy Policy

We (The Organizer) are committed to protect the personal information of the applicants. Your personal identifiable information (personal information) will be collected via this form only when you make the registration and answer a questionnaire for this conference (here in after the "Conference").

Without an applicant's consent, we (the Organizer) will not use such information for the purposes other than operating and managing the Conference, responding to inquiries from applicants for the Conference and offering the Conference information to the applicants.

For smooth operation of the Conference, we (the Organizer) are entrusting the operations of collecting, storing, managing and handling personal information regarding the Conference to the following company who act as Registration Office under a confidentiality agreement.

In case there is an error in your personal information collected for the Conference, please inform the Registration Office to have it corrected or deleted.

Offering personal information is voluntary, but please note that you are unable to attend the Conference without offering the necessary information.
