

再生可能流体エネルギー研究センター特別セミナー

Elsevier関連誌編集者による 「論文執筆ワークショップ」の開催

Elsevier Workshop on Writing Scholarly Papers

- 講師: Yves Gagnon教授(カナダ・モンクトン大学)
- 日時: 2023年12月6日, 午後3時～午後5時
- 場所: (W601) 多目的研究交流室
- 世話人: 内田孝紀 准教授 (内線7776)

Title of Workshop:

How to Get Published in Scholarly Journals: Tips from an Elsevier Editor

Content of the Workshop:

The workshop covers the logical chain in the preparation of scientific publications, namely the selection of the journal, the main criteria of excellence expected in scientific publications, the peer review processes, and the ethical considerations in the publication of research work.

Duration of the Workshop:

Normally scheduled for two hours (including questions and discussions), but it can be delivered over 1.5 hours if needed.

Workshop Delivered By:

Yves Gagnon P.Eng., D.Sc.

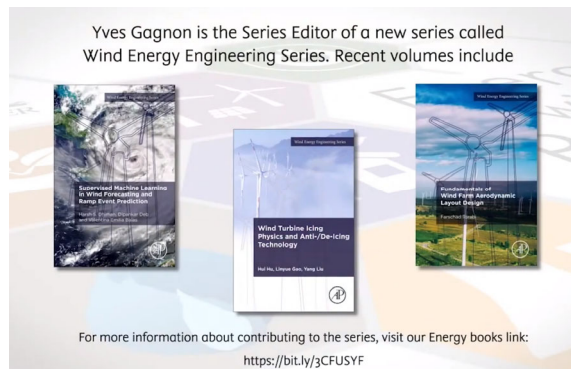

Visiting Professor, RIAM, Kyushu University, Japan

Professor, Universite de Moncton, Canada

Series Editor, Wind Energy Engineering Series, Elsevier

Series Editor, Woodhead Series in Bioenergy, Elsevier

Associate Editor, ASME Open Journal of Engineering

Energy with Purpose: Yves Gagnon
